Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book (page 32 and replaced in Amendment #3) "APPENDIX A, MAINE DEPARTMENT OF TRANSPORTATION, REQUEST FOR PROPOSALS", page 3 of 3, Section III. PROPOSAL SUBMISSION REQUIREMENTS, **DELETE** in its entirety Note #4 which states "Survey confirmation document endorsed by Ferry Service Port Engineer that all six (6) vessels have been surveyed." and **REPLACE** with the following sentence "**Survey confirmation document endorsed by Ferry Service Port Engineer or the Ferry Service Manager that all six (6) vessels have been surveyed.**" Make this change in pen and ink.

The following question has been received:

Question: Appendix A, page 32 III Proposal Submission Requirements #4 States that the Survey document needs to be endorsed by Dennis Putansu, Port Engineer, that all vessels have been surveyed. Mr. Putansu is currently on vacation for the week. Who do we have sign the form? Currently all of the Captains have signed off on our form but we haven't been able to get Mr. Putansu to sign to confirm that we did visit the vessels due to him being out of the office. Please advise.

Response: The Port Manager, Mr. Jim MacLeod, can also sign the survey confirmation. His contact information is; Phone number: 596-5422 (office), 557-2110 (cell)
Address: 517a Main Street, PO Box 645, Rockland, ME 04841-0645. Please see the above change.

Consider these changes and information prior to submitting your bid on **January 11, 2012.**

Sincerely,

For Scott Bickford
